Shanghai WIT Information Technology Co., Ltd. 上海威泰信息技术股份有限公司
Shanghai Information Technology Park, No. 2222, Zhongyuan Road, Pudong District, Shanghai 201300 (China)

shall be conducted at least once every calendar year (except for the first year after the registration, which shall be conducted twice). The first two surveillance audits shall not exceed 15 months.
The certification organization must conduct surveillance audit regularly and the registration certificate continues effective after the eligible surveillance audit. The compliance label will be attached to the registration certificate after the eligible surveillance audit.
Where the scope of certification involves administrative licensing or national compulsory certification requirements, this certificate will become invalid with the invalidation of the relevant administrative license or national compulsory certification.
